

Expression of Interest

Date: 19, April 2018

National Campaign for Education Nepal (NCE- Nepal) is a coalition of 339 organizations ranging from CBOs, NGOs, INGOs, teacher union and education journalists. It is a Nepal chapter of Global Campaign for Education (GCE) and member of regional network; Asia South Pacific Association for Basic and Adult Education (ASPBAE). It conducts evidence based policy advocacy locally and nationally for ensuring quality education for all. Therefore, research, policy advocacy, CSO capacity building and Publications and dissemination are some of the key major intervention areas of NCE Nepal.

Now NCE Nepal is in process of updating its annual roster of experts/consultants for conducting research and study in its strategic areas (research, report writer, thematic paper writing, facilitators in various programs at national, district and local levels) and different vendors (stationary, printing, office maintenance, designing, hotels for workshop/program, air ticketing, local and long route transportation, media).

Therefore, NCE Nepal would like to request to all interested experts/consultants and vendors with competencies on above mentioned areas so as to submit their EXPRESSION OF INTEREST (English or Nepali) with their updated curriculum vita/individual profile or organization profile with pan number and other legal documents (Tax clearance of F.Y.073/74 and company registration certificate) in the following mentioned address no later than April 30, 2018;
